

Past Events & Highlights

1. 🎉 Celebrating past events : "Dining with the Dean" & "Alumni Connect Dinner"

Dear Alumni,

Recently, we had the pleasure of hosting two wonderful events: *Dining with the Dean* and *Alumni Connect Dinner*. We were thrilled to see over 60 alumni come together across both events!

At *Dining with the Dean*, we were honored to hear from our very own ASB President, Dean, and CEO, Professor Sanjay Sarma. He shared his vision for the alumni and highlighted the critical role alumni play in the school's growth and success.

The evening began with a warm welcome from Malisse, Director of Student Journey, who set the tone for an event filled with meaningful conversations and shared aspirations. A special highlight of the night was a saxophone performance by one of our talented alumni, adding a memorable touch to the evening. It was a wonderful opportunity for alumni to reconnect and build new relationships.

If you missed the event, you can find the link to Prof Sanjay's address and event photos [here](#). Additionally, the link to the photo booth pictures is available [here](#).

In January, we also had the Alumni Connect Dinner organised by Program Office, which brought together over 100 participants, including alumni, current students, faculty, and members of the ASB community. It was incredible to witness the vibrant networking and connections formed between everyone present.

To all our alumni—whether you've joined us at past events or not—we greatly value your feedback and suggestions. Let us know how we can improve future events or what types of gatherings you'd love to see. If you're interested, we'd also love to hear how you'd like to

support ASB in shaping the next chapter of our journey.

Kindly fill up the survey below by Friday, **21st February 2025**.
