Alma Matters: Be Part of ASB's First Alumni Leaders Cohort

Dear Alumni,

As ASB's alumni network continues to grow across regions and industries, so does the opportunity for our community to shape the school's next chapter.

Today, we are proud to introduce the **ASB Alumni Leaders Program** - a new initiative inspired by leading global business schools such as MIT Sloan, Harvard Business School, INSEAD and London Business School, where alumni leadership plays a pivotal role in strengthening institutional growth, global visibility, and lifelong community.

This program creates meaningful, flexible ways for you to stay engaged - and to lift as you climb.

When alumni contribute to ASB's growth and visibility, it strengthens the value of every ASB degree - including yours.
