

Inspired Asians, **Inspiring** the World

*How is **Dr Melati Nungsari**
reshaping inclusion across
ASEAN through evidence?*

Building data-driven solutions for refugees,
youth, and vulnerable communities.

Inspired Asians, **Inspiring** the World

Making invisible communities visible

Through ASEAN Research Center (ASB):

- ✓ *Research on refugees, statelessness, and vulnerable workers shaping policy discourse across the region.*
- ✓ *Convenings with **UNHCR, UN agencies, ministries, and NGOs** to close evidence gaps on forced displacement.*
- ✓ *Youth financial literacy initiative reaching **500 low-income youths**.*

Inspired Asians, **Inspiring** the World

Turning evidence into regional systems change

- ✓ *Evidence informing refugee inclusion, labour mobility, and youth opportunity design across ASEAN.*
- ✓ *Cross-sector platforms linking governments, UN agencies, academia, and private sector partners.*
- ✓ *Building a regional ecosystem where decisions are increasingly data-driven, not assumption-led.*

Inspired Asians, **Inspiring** the World

Who inspires you?

*At the **AVPN Global Conference 2026**, we spotlight leaders across Asia who are redefining impact.*

*Know someone we should feature?
Or have a story of your own?*
